Mr. Alberson and Fair Park have become synonymous within our city—a Big man and a Big school. Under Mr. Alberson's leadership Fair Park has reached noble heights of achievement in scholarship, in music, in athletics, and in vocations. Students have grown in stature, intellectually and spiritually, through participating in school activities which have developed their interests and their capacities for leadership; through acquiring an appreciation for the good in music; through living in a school atmosphere which radiated love and friendship; through competing with one's self, growing according to their personal abilities.

Greater than these attainments, though, has been the evidence of genuine consideration for his fellow man which Mr. Alberson has revealed to his pupils. During his years at Fair Park, children from the School for Exceptional Children have found a ready home for their high school years; children with speech handicaps have seen complete cure through the advantage of correctional speech; shut-in pupils have attended classes by telephone; all children have received benefits from a dental clinic sponsored and financed by the school. Only one dedicated to service for others and endowed with brotherly love can produce such great good for mankind.

Out of a great mind arise great thoughts. With his greatness Mr. Alberson has pioneered in the educational world. The use of visual aids has become a reality in each class room, with a special department to supervise their use; guidance has become an organized part of the daily schedule; accelerated pupils have received training within specially organized classes; the Honor Legion, a group of girls skilled in marching, has come into existence; the R. O. T. C. has developed young men who have become valuable citizens.

Therefore we pay tribute to him especially for the example which his life has been, for his ideals with which he has endowed many, for his influence upon every person who has come his way. True Christian love manifest through his everyday activities will be a treasure he leaves to each one; we gratefully acknowledge the gift with our deep and abiding love for

MR. E. L. ALBERSON

PRINCIPAL'S MESSAGE

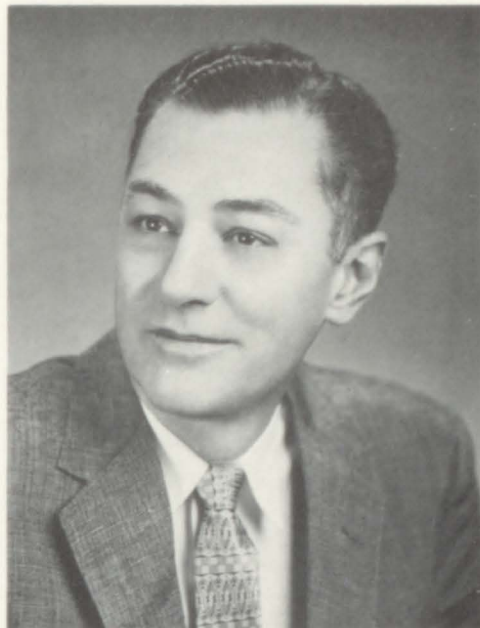

During the four years of your high school life, you boys and girls have been guided by the philosophy that our school is a democratic society in which you were given a part in planning and in evaluating the activities of which you were a part. The curriculum was so planned that you might select both academic subjects and extra-curricula activities which would promote within you growth — mental, moral, physical and spiritual.

My faith in you causes me to believe that you will continue to do that which is good for yourself and your fellow man.

The faculty joins me in wishing for you an abundant life.

WORTH ROBERTS President

DAVID SMITH Vice-President

SHERRILL RUBY Secretary

WILLIAM SHAW Treasurer

The Class of 1957 was the first group of Fair Park Seniors to participate in non-credit classes especially designed for students preparing for college. These "accelerated classes" were offered in mathematics and English.

In the fall, aptitude tests were given to help seniors plan for future employment. During the year several nearby colleges invited graduating seniors to "Career Day." The Louisiana Employment and the Louisiana Rehabilitation Services have sent personnel to Fair Park many times during the year to counsel students needing assistance.

Senior Officers: Roberts, Smith, Ruby, and Shaw.

FOOTBALL LETTERMEN

With the opening of the football season, the Indians stood first in 1AAA rating. During the course of the season, the rating fell as low as fifth place, but usually remained around second or third, dropping once to fourth against Minden.

The Tribe stood off a blast of top-rated com-

petition, losing only three of their battles. Each former foe that fell before the Redskins became a friend hoping Fair Park would achieve again North Louisiana State Championship. But the crippled Warriors were forced to a retreat on their warpath when they met Byrd on fatal Thanksgiving Day.

Fair Park 7 • Baton Rouge 14

BATON ROUGE, LA., SEPT. 7 . . . The Braves' Big Three, Dunn, Mullins, and Orton, were just not enough to stop the Baton Rouge Bulldogs from upsetting all the sports writers' predictions. Although the Redskins gained a 7-0 lead during the first half with a neat charge by fullback Scooter Henry, the Baton Rouge aggregation retaliated angrily, surprising the weary Warriors. Dunn and Orton then made several futile attempts to regain the Tribe's lost lead, with backing by halfbacks Mullins and Hanson. The Redskins fought furiously, keeping the Bulldogs busy, and preventing them from widening their slim 14-7 lead for the remainder of that period. When the whistles for infractions sounded, it was only for the frantic Bulldogs. The Tribe line formed a mighty and insurmountable solid wall protecting the Indian goal-line with true Redskin voracity for the rest of the half. The war-path-worn Greenwood Roaders had put up a gallant fight against the challenging Bulldogs' hard-won victory, leaving the Dogs victorious, but too tired to celebrate.

Fair Park 20 • Bolton 0

SHREVEPORT, LA., SEPT. 15 . . . Fair Park's Indians, looking exceptionally good, showed enough of Jimmy Orton, Don Mullins and Eddie Dunn to handle Bolton's sluggish Bears before a big Fair Grounds crowd. In chalking up their first win in two ventures, the Redskins unleashed a brilliant offense in their first home town war. While center Larry Thompson and end Ray Grim-singer were constant threats to the Bears' offensive, it was the steady, versatile Tribe line more than anything else that sent the home fans away satisfied. Orton was masterful in every phase of the game. His 202-pound accomplice, Eddie Dunn, showed not only the speed and power expected, but he proved himself a fine passer and extra point booter, accounting for eight points, while bulldozing Mullins took the credit for the rest of the damage. The threatening Bears intercepted one of the two Dunn passes in the last play of the period. The Warriors snapped back impressively after this break. Orton, who faked and confused the Bears constantly, had them literally halted.

Don Meisner halts a Bolton player as teammate comes to assist.

Eddie Dunn rounds the corner to chalk up more yards in the Nicholls rampage.

SHREVEPORT, LA., SEPT. 22 . . . The Redskins' rampaging power-laden offense treated some 7,000 fans to an explosive touchdown show in polishing off the Wildcats of El Dorado. The Arkansas crew, making its first invasion of the prep circles in Shreveport, simply brought too few horses and too many mistakes to cope with the magnificent Tribe. The Indian's biggest headache was not the opposition, but the whistles of the men in stripes, which sounded off 14 times to a tune of 140 yards for infractions. Sparked by their talented left half, Don Mullins, who raced 20 and 60 yards for the first two scores, the Warriors turned an early lead into a complete riot before the final gun. Mullins' first two scores were the only ones that came in anything like conventional form in the weird slaughter. Late in the third period quarterback Jimmy Orton knifed into the "Cats" backfield, stole a pitchout and raced 60 yards to score unmolested. The final period saw Dunn lope half the length of the field to finish the game with a stunning TD.

SHREVEPORT, LA., SEPT. 27 . . . A humiliated band of Francis T. Nicholls Rebels nursed an assortment of bumps and bruises as well as their wounded pride after surrendering completely to the Redskins. The Rebels lost the corks out of their gridiron popguns on the opening kickoff as the Tribe's front-line warriors savagely ripped them for two touchdowns in less than the first two minutes of play. With quarterback Jim Orton 'way out front, the Fair Park marauders sheared the Rebel clan and gobbled up a total of 405 yards. The signal-calling, shifty-running Orton paced the vicious attack with three touchdown passes. He connected twice to end Ray Grim-singer and once to his halfback cohort, Don Mullins. Orton started the holocaust, and finished it in his own good time, and he had plenty of it. Dunn put up his share with a 16-yard TD romp. Mullins toed the extra point. Scooter Henry barreled 41 yards right straight up the middle for a crushing last TD of the slaughter. Quarterback Richard Bell added the final point to finish off the whipped Rebels.

Dunn drives over the goal to add six more points against Texarkana.

SHREVEPORT, LA., OCT. 5 . . . Greeting the Texarkana Razorbacks with a tremendous display of power, the Tribe guarded their Indian goal with intense and very effective ferocity. Jim Orton, Eddie Dunn, Don Mullins, and Hylton Hanson were important in keeping the Redskin goal free from Hog invasion. With ease and surety, the Warriors kept the Pigs well away from any chance whatsoever of scoring. Dunn, Mullins, and Orton, using beautiful precision and accurate timing performed amazing gridiron skills easily and gracefully, dumbfounding the stopped and whipped Hogs. Touchdown lopes of half the length of the field and more constituted the Indian strategy. Little Scooter Henry added an extra touch here and there just to add spice to the bored Tribe during the last half. The flashy Redskins tripped up the Hogs, slipping past the puny Pig line fast and furiously. The suprised Razorbacks just could not cope with the flashy tomahawk wielders, who out-maneuvered the deflated piglins all over the field.

Fair Park 33 • Texarkana 0

SHREVEPORT, LA., OCT. 12 . . . Emerging from their wigwam, the Redskins unlatched the Braves' power and second-string strength in the pinches to knock down the precocious Bastrop Rams. The Warriors relied a great deal on full-back Scooter Henry and halfbacks Gary Lauter and Hylton Hanson. Henry led the touchdown brigade with two, the first out of a skirmish on a two-yard run, and later on a pretty 41-yarder. Hanson graced the Ram goal line once on a 19-yard bomber. Lauter drew no scoring blood but he scampered well when used as relief for the huffing and puffing Mullins, who, despite a 12-yard TD run and two extra points, was not the electrifying runner he usually is. The Tribe backs, mostly Henry, Mullins, and Hanson, weakened the Ram defenses for 302 yards rushing, but exactly 200 were gained in the second half, and 135 of these were final period pierces. The restless Ram line continued to push the weary Redskins, but Fair Park claimed the remaining minutes of the game with a very effective aerial barrage by Orton.

Fair Park 26 • Bastrop 7

Fair Park 28 • Ouachita 19

SHREVEPORT, LA., OCT. 19 . . . An unhurried Fair Park squad overcame the Ouachita Lions of Monroe by a hard-won margin. Fans, numbering over 5,000, watched the Tribe dance off with the victory. Ouachita had charge of the game in the first quarter, but the Tribe quickly recovered in the second period with a Lion pass intercepted by Larry Thompson, but the gallant try was short-lived. End Meisner then slipped behind the Ouachita secondary, took a throw from quarterback Jimmy Orton and shot across the goal line. The play totaled 54 yards for the Redskins. Mullins booted the extra point. After the third quarter kickoff, Fair Park started on its own 18 and went for the TD in nine plays, with the Tribe twosome, Mullins and Dunn, doing the honors. Lion Dickie Crowe struck back with a sudden score near the end of the third quarter, but Mullins returned with a sizzler over the 10-yard line on the first play of the final quarter for the third Tribe touchdown. A pass from Orton to Ray Grimsinger and steady gains by Dunn and Mullins set up the easy victory.

Fair Park 20 • Bossier 6

BOSSIER CITY, LA., OCT. 25 . . . Brutal blocking and some fancy running constituted the easy victory by the Indians over the Bossier City Bearkats. On a rain-soaked field before a crowd of about 7,500, the Tribe made up for the loss of the season's opener to Baton Rouge. It was a bruising battle and the Kats fought furiously every muddy step of the way, but the steaming Warriors were the more determined team. Big Don Mullins and Jimmy Orton were the Fair Park scoring heroes, and Howard Reynolds, Larry Thompson, Gary Lauter, Ray Grimsinger and Jack Collins provided the blocking and tackling. Mullins romped 50 and 60 yards for touchdowns in the first and fourth quarters. The terrific halfback skirted his right end for the first one, behind some deadly blocking which broke him into the clear. The second jaunt came on a break-through at right tackle, a cut to the left and a long-legged lope across the goal line. Orton grabbed a 48-yard punt by Bearkat Bud Laughlin in the second quarter, and danced down the north sideline to the 40. This clinched the game.

Gary Lauter blocks to aid Don Mullins' end run around Bossier challenger.

MONROE, LA., NOV. 9 . . . The Tribe stepped out again on the warpath when they met the West Monroe Rebels, the hosts for the Redskins' annual homecoming game. Bulldozer halfback Eddie Dunn and fleet-footed Scooter Henry showed up as the offensive cogs for the Tribe. Dunn crossed the stripes three times, twice on sprints of two and 25 yards and again after grabbing a 54-yard pass by quarterback Jimmy Orton. Henry contributed one touchdown on a 24-yard run, Gary Lauter hoofed 14 yards for a tally and Hylton Hanson pulled a sizzling two-yard pass down by Orton for the final touchdown. Henry finished as the game's top ground-gainer going 108 yards on nine jaunts. Dunn raced 84 yards on eight attempts and Lauter had 62 yards on nine carries. They enabled the Indians to outgain the Rebels, 281 yards to 145 yards. The victory was an expensive one for the Tribe who lost the services for the remainder of the season of center-linebacker, letterman, Larry Thompson. Thompson suffered two breaks in a leg during the first half.

SHREVEPORT, LA., NOV. 16 . . . Fair Park started a rally too late to save this disastrous game with the Minden Crimson Tide at the cold Fair Grounds in an Indian embarrassment. The Tribe was completely out-maneuvered by the AA State Champions. The searing defeat ended an eight-game winning streak by the Warriors and was their second loss in ten starts. Although the Tribe was slowed by the absence of its scoring star halfback Don Mullins and center Larry Thompson, it still did not seem possible at the time that the powerful Tribe could look so futile against the small school invaders. Most of the first quarter was spent in jockeying for position and the crisp Tide found what it wanted just before the whistle. Defensively, the Redskins had nothing to offer but guard Howard Reynolds, who made 15 of the 60 tackles chalked up by Fair Park. The Warriors made their lone threat against the red raiders in the last half on a second down. Orton sighted Dunn at the one yard line and the big fellow stepped into the end zone to cap the only TD the Tribe could manage.

Jim Hardee, Tommy Sims, and Eddie Dunn stop a Minden touchdown.

Jimmy Orton attempts to halt Charles Peatross of Byrd.

SHREVEPORT, LA., NOV. 25 . . . The aroused Byrd Yellowjackets stung the Redskins on a Turkey Day rampage that became something of a riot before it was over. Orton and Mullins offered the Indians' loudest arguments with overall play coupled with the punting toe of Hylton Hanson, which formed an important part of the Fair Park strategy. Orton was brilliant and was easily the game's outstanding performer. Bob McGlothlin was a powerful offensive cog, as was Howard Reynolds, Gary Lauter, and Wayne (Dad) Foster. Steve Barrett, Mullins, and Dunn turned in some fancy footwork for the Redskins, but not enough to stop the surging 'Jackets. Barrett, Orton, Mullins, and Dunn set up the only score the Warriors could manage, and that masterpiece was a flat pass from Orton to Mullins, who grabbed the ball on the four-yard line and slanted over the goal line 'way out wide in the left corner. Dunn booted successfully and it was 32-7 just as the gun sounded to end the game.

Winn adds two points to Fair Park score.

Getting off to an early start after a comparatively short football season, the Indian floormen swallowed hard a first-game defeat to Byrd, losing by only one point with a final 49-48 score. The tough Baton Rouge Bulldogs doubled back to clip the Redskins in the second game, 65-45. The Warriors' first win was a close 71-65 lead over Istrouma. This began a three-game winning streak for the Greenwood Road goal-getters, polishing off, in quick succession, North Caddo, 46-40, and St. John's, 79-58. The ornery Mavericks of Marshall were a stopping point for the well-worn Indian warpath, temporarily halting the Redskins with a thin 55-54 final score. Then followed Minden, Ringgold, Pleasant Hill, Ouachita, Bossier, Byrd, West Monroe, and North Caddo, with the rampaging Redskins winning thirteen of their season's top-competition meets and tournaments.

In the home games, special drill units from the Fair Park Honor Legion and other groups performed.

The smooth performance this year of Jimmy Orton played a vital part in building an excellent win average for Fair Park. Orton has participated in basketball, football, and baseball.

Another expert floorman is Cecil Winn, who has taken part in track as well as basket-

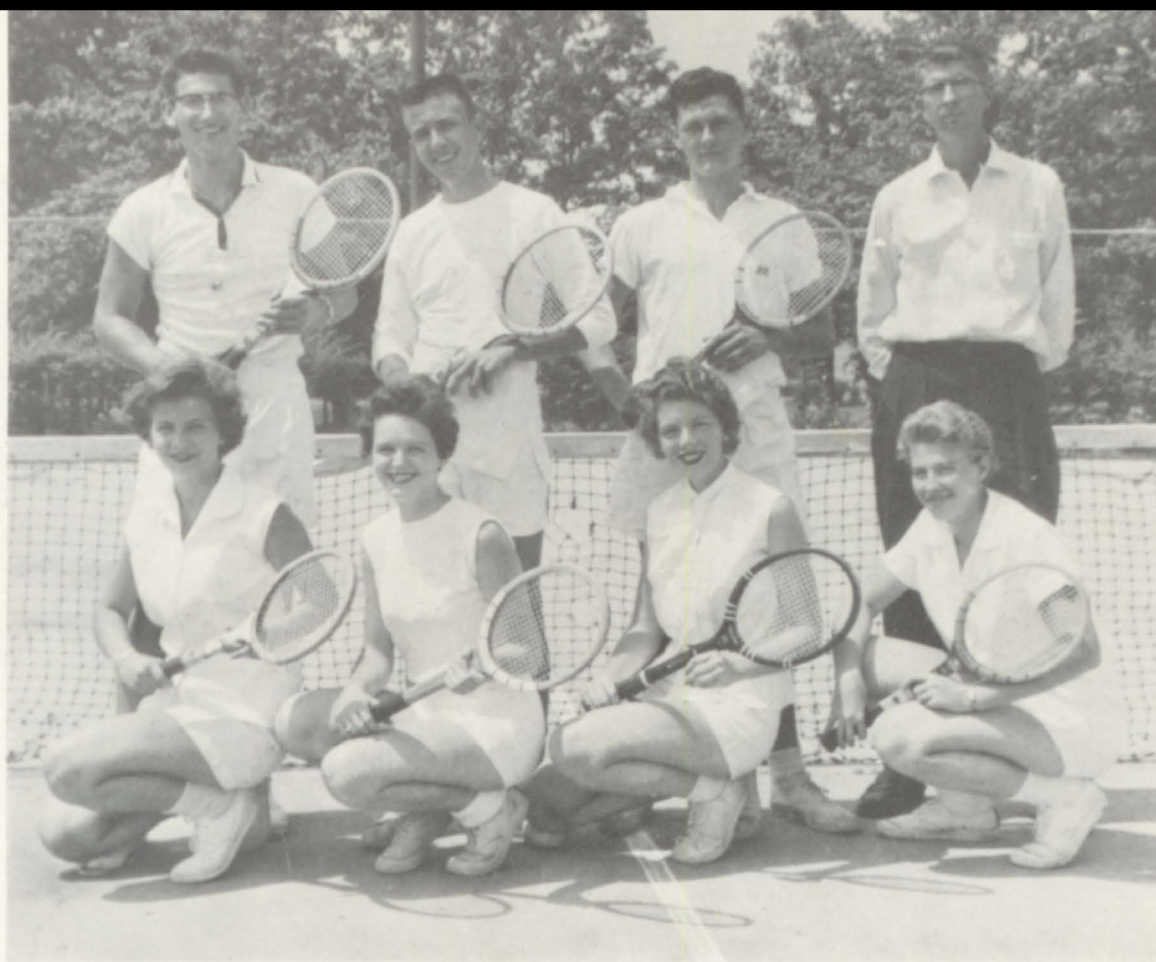

ball. Like Orton, this is also Winn's last season with the Redskins, after proving himself invaluable to the Tribe while still a newcomer.

Still another graduating senior with plenty of hoop know-how is Don Meisner.

Returning letterman Gary Lauter will be on hand next year for another fine season.

1956 TENNIS

The netters of Fair Park, led by four-year letterman and All-State star Austin Robertson, closed the 1956 season with a 5-5 record, winning the North Louisiana championship held in Ruston on April 27 in boys singles and doubles for the third straight year. Robertson copped the singles honors and, teamed with Raymond Wickard, went on to annex the doubles title. Wickard and Robertson also teamed to win the state title in doubles while Robertson took the state singles. These were the first state titles won by a Fair Park tennis team. Robertson is presently attending Tulane on a tennis scholarship. He is ranked sixth in the nation in junior doubles. Wickard is attending Louisiana Tech where he is a top hopeful for tennis honors.

Robertson and Barbara Kremenek are the first four-year lettermen in the history of Fair Park.

The principal interest in all track teams is the individual development of each participant. A fine sense of good sportsmanship at all times and good mental as well as physical development in each and every boy is inspired by Coach Carl Kight. He tries, and succeeds, in building up in each member a desire to do his best at every opportunity.

The track team is composed of thirty-five

members, eight of which are returning next year as lettermen.

The Fair Park squad excels in distance, sprints, and field events. Much practice goes into the perfection of the precision of the Red-skin road runners, and there are always afternoon sessions with Coach Kight, this being his second year as head track coach. The group competes in dual and triangular meets as often as they can.

The Fair Park Honor Legion was organized in 1955, through the joint efforts of Mrs. Norman Lindsey and Mr. E. L. Alberson, principal. The Honor Legion, a service organization both to Fair Park and the community, supports the Fair Park teams, performs at football and basketball games, and represents the school in parades and in civic projects. The colors of the organization, scarlet red, white, and horizon blue, are carried out in the uniforms, which are patterned after those of the original French Foreign Legion. MARDI GRAS

The delicate beauty of an old French patio was re-created as setting for the presentation of the 1957 Mardi Gras Court. Lacy iron grill work, a bubbling fountain, and banks of red roses transformed the stage and auditorium into an authentic bit of old New Orleans.

The royal procession began with the entrance of the Lords and Ladies of the Court. The Ladies wore identical pink tulle gowns of ante bellum design. They carried old fashioned nose-gays of split carnations. Queen Sylvia Gates was radiant in her gown of billowing white tulle and lace. Her jewelled satin train was carried by tiny Misses Margaret Riche and Virginia Mitchell. Master Martin Nutt, Jr. was Crown Bearer.

The song and dance numbers, presented for the entertainment of the court, carried out the international theme. The evening's festivities were climaxed by a gala ball in the Fair Park gymnasium.

Decorations and stage settings were designed and constructed through the joint efforts of the art and woodworking departments. The girls' physical education department and the music department supervised the entertainers. The entire pageant was co-ordinated by Mrs. Ruth Johns.

The cadets of the Military Band of the Second Battalion must be proficient in both military skill and musical ability. The band, under the direction of Mr. Walter Minniear, in addition to its performances in the weekly battalion parades, often marches as a separate unit in various special performances.

The Dixie Drill Platoon is a special marching unit featuring the Confederate uniform, special rifle drills, and trick marching movements. A featured part of Fair Park half-time ceremonies and at basketball games, the drill team also appears in parades throughout the state. At the Natchitoches Christmas Festival, the platoon won, for the second consecutive year, an award for superior performance. The most notable single appearance of the team is in the Rex parade of Mardi Gras in New Orleans.

The team is under the instruction of Master Sergeant David Monk and in command of Robert Poston and Dennis Howard.

OFFICERS AND SPONSORS CLUB

An old tradition within R. O. T. C. is the Officers and Sponsors Club. The club is composed of all cadet officers and their sponsors and is sponsored by the military and Mrs. Jaqueline Barr.

The club is devoted not only to entertainment but to improving the relations of the officers and cadets. It offers an excellent opportunity for forming new friendships.

Often the club is visited by men of influence in various occupations presenting their particular fields for consideration to the officers in the hope of influencing one to enter that field.

The Fair Park First and Second Rifle Teams are composed of cadets and officers of the Second Battalion.

The team participates in Fourth Army and National Rifle Association Rifle Matches. In these matches they are compared on a national level.

The team is under the expert coaching of Master Sergeant Melvin W. Clark. It is an active member of the City League and has fired matches against every other recognized team in the city.

Starting early in the year, Master Sergeant Clark plans the training and practice of the team so that they reach the peak of their ability for the Arlington State Rifle Meet, the most important of the matches the team fires.

The spirit of competition is ever present and teaches the members to win or lose equally well.

THE STUDENT COUNCIL

Council members enjoy refreshments at the concession stand in the new gym.

The main objective of the Student Council is training in citizenship. It is composed of the House of Representatives and the Senate.

The sponsors, Mrs. Sybil Murphy and Mr. Martin Nutt, and all officers attended a workshop in August at Northwestern State College. Fair Park is now a member of the Louisiana Association of Student Councils and the National Association of Student Councils.

Many student activities are led and supervised by the Council. The handling of the school store is a Student Council responsibility. They also sponsored "Teens Against Polio," and collected money for the United Fund. The council members printed and sold basketball schedules and handled the concession stands and ticket sales for basketball games.

Our Council worked with the other high schools in the locality to have Youth Week. Youth Week, which is interdenominational, offers religious programs at the various schools during the week.

A fine show featuring "Bobo the Magician," was sponsored by the Student Council.

THE 1957 S E Q U O Y A H

The Sequoyah Editorial Staff is composed of eight editors who assume the responsibility for certain sections of the book. The other staff members serve as assistants to the editors and as clerks and typists. The entire group is carefully selected for initiative, leadership abilities and scholastic standing.

The design of the book, the taking and selection of pictures, and the writing of copy are the main duties of the editorial staff. The combined, conscientious efforts of the individual members, coordinated by editor-in-chief Lee Edwards, brought about the 1957 Sequoyah.

SEQUOYAH

BUSINESS STAFF

Mrs. Isgett congratulates Marilyn and Alice on sales record.

The Sequoyah Business Staff works under the supervision of Mrs. Daisy Isgett. Manager Ellen Neely and her assistant, Bennie Hayes, have worked diligently to organize the staff's efforts. Girls are chosen for their positions because of their initiative, personality, and high scholastic merit. They must be cheerful, courteous, and dependable for they represent the Fair Park study body in the business world of Shreveport.

The staff undertakes the job of supplementing the money brought in by subscriptions by selling advertising space. Paired into teams, the girls work together to sell advertising to various local and out-of-town business firms. The work done by the staff members is invaluable to the successful production of a yearbook.

The Sequoyah Circulation Staff shoulders the responsibility of promoting the circulation of the yearbook within the student body. The staff depends on sponsor Mrs. Ouida McClellan for direction in carrying out its many duties. The girls collect subscription money weekly from teachers. Much time and effort is spent tallying and balancing these collections. In the spring, this staff must distribute the yearbooks to the student body.

The manager, Annette Boudreaux, and assistant manager, Sandra Ford, attended the Louisiana Scholastic Press Association convention in Baton Rouge, held on the Louisiana State University campus. The delegates brought back valuable information to aid and guide them further in good management.

Mrs. McClellan is assisted with Sequoyah deposits.

THE 1957 POW WOW

Talking it over! Co-editors Skipper Wofford and Pat Holbrook and Managing Editor Gay McRee discuss Pow Wow participation in the polio drive. Skipper and Pat, along with Gay and others, took an active part in making the drive a success the first time it was ever tried.

The 1956-1957 season has been a banner year in Fair Park's journalistic section. Under the watchful eye of Miss DeLane Smith, faculty sponsor, co-editors Pat Holbrook and Skipper Wofford paced the Pow Wow Editorial Staff through a year full of numerous activities.

Events of the past year were highlighted by the annual L. S. P. A. convention, the Fair Park Polio Drive, and the yearly banquet for editorial staff members.

Taking a look at the Pow Wow staff you see a cross-section of Fair Park itself. The members come from all walks of school life: Student Council representatives, Home Economics students, basketball players and many more. All take advantage of the fun and experience offered in the life of a school publication.

POW WOW

BUSINESS STAFF

Jo and Jean Lasiter wrap Pow Wows for mailing.

The Pow Wow Business Staff, managed by seniors Patsy Gladden and Bonnie Williams, is responsible for financing the Fair Park newspaper. Beginning August 15, the thirty member staff, under the direction of Miss Mary Anthony, started their sales. Each girl had a quota to meet by November.

The co-managers and assistant manager, Sue Owen, make up ad copy for each issue. They also bill and collect for ads sold.

The money made from selling the papers is not enough to finance the Pow Wow, therefore, it is the business staff's job to sell enough advertising to prevent indebtedness.

Last year's editions were only six pages but, due to an increase in sales, an eight page paper is now possible. There have been several ten page issues also.

Miss Smith pays the bill.

L. S. P. A.

Approximately twenty members of the Pow Wow and Sequoyah staffs traveled to Baton Rouge, Louisiana, October 21 for the annual convention of the Louisiana Scholastic Press Association.

The convention officially began Monday morning with a general assembly and that afternoon writing contests, open discussions and guest speakers kept delegates busy.

On Tuesday, officers were elected and contest winners were announced. Second place award in yearbook copy was received by Linda Stephens; fourth place in editorials, Chris Suggs; second and fourth place in feature writing, Bennie Ledlow and Gay McRee, respectively.

THE JUNIOR RED CROSS

President Margaret Addington and Mrs. Taylor lead Red Cross meeting.

The Junior Red Cross is a service organization, designed to teach students to help others. The Fair Park Chapter links our school with the state and national organizations of the American Red Cross. Under the leadership of Mrs. Barbara Taylor, the organization has carried on various activities through the school year.

The Junior Red Cross sold corsages for the annual Thanksgiving football game to help finance the Chapter activities. The organization had their annual drive to fill and send Christmas boxes to children in foreign lands. For Easter, wall decorations for the Veterans Hospital were made and later our chapter sponsored the annual Tuberculosis Fund Drive.

The Junior Red Cross officers are elected during the spring term of school. In the summer the president is sent to the American Red Cross National Convention to help prepare for the coming year.

THE FAIR PARK CONCERT BAND

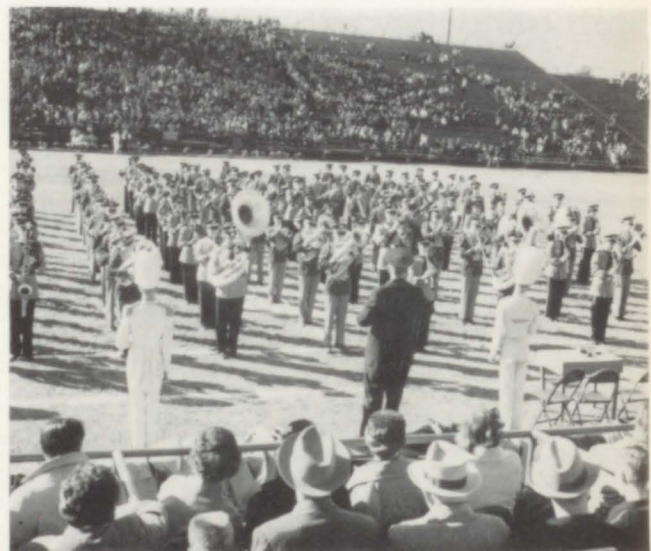

The Concert Band, under the direction of Mr. Walter C. Minniear, has always given to the community several fine concerts each year. The band works hard to become a fine musical marching unit.

Among the highlights of the year was the performance at Fair Park of the world famous saxophonist, Mr. Sigurd Rascher. He lectured at a clinic for interested band members and gave them some very helpful information. The band accompanied Mr. Rascher for a recital in the auditorium.

One of the projects of the band this year was the selling of candy to raise money for a tour, which the band took at the end of the year.

The officers of the band are: Captain, Carolyn Blue; 1st Lieutenant, Skipper Wofford; 2nd Lieutenants, Loras Blackburn, Judy Shellhammer, Virgil Dixon, and David Jackson.

FAIR PARK ORCHESTRA

Violin section waits for rehearsal to begin.

Fair Park was the first school in Shreveport to have an orchestra. In 1949 it consisted of some seventeen members under the direction of Carl Tolbert. It has now developed into an organization involving some one hundred students of stringed instruments in its Symphonic, Intermediate, and Beginning groups. The orchestra has been under the direction of Arthur Benoy since 1952.

The salon orchestra, a thirteen piece ensemble selected from the Symphonic Orchestra, performs for civic clubs and worthy organizations.

There are many responsibilities behind the making of a well concerted organization which lie upon the shoulders of the Concert Mistress. Carolyn Blue has proved to be both able and competent in fulfilling these duties. Through the years, the orchestra has proved itself to be a cultural asset to the school and community.

Mr. Benoy gives individual instruction.

"A" CHOIR

The sixty-one members of the Fair Park "A" Choir gain their positions through auditions and their ability to read music and to perform.

The choir's activities include singing for student assemblies, the Presentation Day Program, the Baccalaureate Service, the Easter Sunrise Service at Centenary, and performances at various club luncheons. They also hold a spring concert.

Four soloists from the "A" Choir were chosen to represent Fair Park in the semi-annual Louisiana All-State Chorus.

The "B" Choir, which meets daily at third period, is directed by Mrs. Edith Whitehead. The choir consists mainly of those students who like to sing but do not wish to perform publicly. A number of the members, however, are working hard to earn a promotion to "A" Choir.

Performances for the year by the choir included a Christmas program for the student body and the presentation of the annual Spring Concert. Much satisfaction is derived by the members from taking part in these activities.

The Pastels are made up of twenty-three girls, selected from the members of the Girls Glee Club for their singing ability and skill in reading music. These girls derive a great deal of pleasure from giving enjoyable performances. They are under the able direction of Mr. M. L. Riche.

The Pastels are well known for their beautiful renditions of all types of music from popular dance tunes to the classics. They are often called upon to sing for school programs, local luncheon clubs, and church functions. This year the Pastels have participated in Mardi Gras, and have performed at the Men's Lion Club Luncheon, Optimist Club Luncheon, and for the Shreveport Youth Symphony Club.

ESQUIRE SINGERS

When Mrs. Whitehead is away the boys will play.

The Esquire Glee Club is composed of boys of musical talent under the direction of Mrs. Edith Whitehead. It is a voluntary organization, meeting two times a week. The music consists of old songs, popular songs, spirituals, and sacred music in four part harmony. Knowledge of music is not necessary before becoming a member of this group, but a love of music and a desire to learn are essential.

DISTRIBUTIVE EDUCATION CLUB

MRS. MONETTE
Sponsor

The Distributive Education Club is composed of students interested in business education. These students participate in an "on the job" training program, which allows them to attend school in the mornings and to work in the afternoons. Under the careful supervision of their sponsor, Mrs. Louise Monette, these young people successfully fill sales positions in retail and wholesale firms and serve as clerks.

This year, more than three hundred Distributive Education students met in Monroe, Louisiana, for a convention. The Fair Park delegation included twenty students and the chaperones, Mrs. Monette and Mr. Hubert Humphreys.

FUTURE HOMEMAKERS

One of the oldest clubs in the school, the Fair Park chapter of the Future Homemakers of America, was organized in 1936. Through the years Fair Park girls have gained knowledge and training that is useful to them for years to come.

Future Homemakers of America offers girls a wonderful opportunity for the further development of initiative in planning and carrying out activities connected with homemaking. As one of their many homemaking projects, the members this year made Christmas jewelry and conducted the sale of it.

One of the most interesting projects of the club was the selection of the "Girl of the Month." This girl is selected on the basis of her contribution to the club.

This year the club's sponsor was Mrs. Bea Mitchell. During the year she accompanied several delegates from this chapter to the state F. H. A. convention in Alexandria.

MECHANICAL DRAWING CLUB

Homemaking students serve coffee and cookies to club members at Christmas party.

The old fun loving but dependable "120 Club" group has moved into new quarters this year. A more formal club has been developed by the boys, who, as juniors, completed their second year of drawing but wished to explore possibilities of developing their skill non-credit. Informal discussions about engineering projects, gaining guidance in selecting places for future training after completing high school and assisting in school projects needing their particular abilities take up most of the group's free time.

In December the members were entertained at a morning coffee in the Homemaking Department.

For want of a better name this group is identified as The Mechanical Drawing Club.

The purpose of the Art Club is to further the study of art among the students, and to give its members a greater appreciation of art. The upper classmen are invited to join, and the art majors are encouraged to join and to contribute to the growth and development of the club.

The Art Club's program is designed to stimulate greater appreciation for the beauties of every day life. The production of home decorations creates greater interest in crafts, techniques of painting, and costume design.

Members of the Art Club contribute their talents during Holiday in Dixie by decorating the school float for the parade. They design and paint stage scenery for school entertainments. They decorate the hall for the Mardi Gras Dance after the Coronation. The art exhibit, held several times each year by the members, under the sponsorship of Mrs. Grace Gray, creates much interest and is enjoyed by the entire student body.

The Math Club is sponsored by Miss Lucille Brown. The membership is composed of students who are especially interested in mathematics. The purpose of the club is to present to the students the different fields of mathematics and its practical uses. Students needing assistance in solving difficult problems may ask fellow members for help.

Open discussions of school problems are a part of the programs. Trick problems presented at club meetings are of great interest for those who like puzzle solving. Some of the members who attended Career Day at Ruston reported to the club on the use of mathematics in all types of engineering.

The members learned much about the history of mathematics and its use in various vocational fields today. They are encouraged to select their vocational interests now so that they may begin to plan carefully and adequately for the future.

AUDIO-VISUAL CLUB

The Audio-Visual Club works for the benefit of the student body. Without its program, the films that aid us in our studies would not be available.

Each member of the club has a job that must be done and each works for his goal. The boys project films, keep the machines in order, and report the conditions of films. The girls perform such duties as processing films as they come in to the school, assisting in mailing these films, checking attendance records and filing film cards.

Many of the members are working for membership in the School Projectionist Club of America. The chief qualifications needed by Audio Visual Club members are promptness, accuracy, reliability and orderliness.

The club owes its success to the understanding guidance and leadership of its sponsor, Miss Ruby Moore.

Through interesting club programs members of Los Alumnos Felices learn much about the way of life of our Spanish speaking neighbors.

For its Thanksgiving project, the group made tray favors for the Home of the Aged. Another activity of Thanksgiving week was a television program presented on KSLA.

The annual Christmas banquet was held for members and guests at a local restaurant, specializing in Mexican foods.

This year the Spanish Club is purchasing several 1957 Sequoyahs to be exchanged with schools in Latin American countries.

Pan American Week is sponsored annually by the Spanish Club. During this week the cafeteria is decorated by the club members and Spanish food is served. The student body and faculty members are asked to dress in Latin American fashion on the day designated as Pan American Day.

DRAMATICS CLUB

The Dramatics Club is an organization designed to give its members an opportunity for self expression. It is sponsored by Mrs. Virginia Miller.

Major productions are not the aim of the Club, but the enriching experiences of performance by groups and individuals have proved to be rewarding. Short plays, readings and other types of dramatic productions are in rehearsal at all times. In such a group, it is possible to have several activities in process simultaneously.

This year members of the group not only were given the opportunity to show their ability to act, but also to write and to direct their own short plays.

Through active participation in all forms of theatrical presentations, students are given a better understanding of the "Theater Arts" and find a deeper appreciation for the serious endeavor, the team work and the talent that goes into every production.

"To know wisdom and instructions; to perceive the words of understanding;
To receive the instruction of wisdom, justice, and judgement, and equity;
To give subtilty to the simple, to the young man knowledge and discretion.
A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels. . ."

Proverbs 1:2-5

By adhering to these words, the Future Religious Leaders of America are storing up knowledge and wisdom for future use in Christian work.

The purpose of this club is to help the members plan for future work in some field of Christian service. The many fields include church and school work, missionary fields, the ministry, and Christian living in any vocation.

Many ministers and laymen were invited during the year to speak at club meetings on their fields of work and service. The members have participated in Youth Week and Wednesday morning chapels at Fair Park. The club is sponsored by Mr. Hyland Packard.

"I PLEDGE:

My head to clearer thinking
 My heart to greater loyalty
 My hands to larger service
 My health to better living, for
 My club, my community and my country."

This pledge opens the meetings of all the 4-H clubs in the United States. It also provides a standard of living for all 4-H members.

The 4-H movement was started by a group of boys during the year 1900. These boys organized a club in the interest of agriculture. The United States Department of Agriculture became interested in the club and in 1914 it received a Congressional charter.

The Fair Park chapter, under the sponsorship of Cecil Herrin, strives to live up to its motto, "To make the best better." During the year the club sponsors a project for community improvement. A "Chicken of Tomorrow" contest is held in February. An Achievement Day, a spring livestock show, and a National 4-H Week exhibit complete the year's activities.

Mr. Henderson demonstrates office machines for future secretaries.

The Commerce Club is an organization of commerce students who are in training to become the business women of tomorrow.

The club's purpose is to promote a better understanding of the business world that the members expect to enter upon graduating.

Membership in the Commerce Club is open to all senior girls who are interested in taking commercial subjects.

Some of the educational programs during the year included visits from guest speakers of various local business establishments. The John Robert Powers Agencies, the Henderson Duplicating Company, and the Dictaphone Corporation sent representatives.

Mrs. Pearl Dalton, the club's sponsor helped to plan an interesting field trip for club members. The purpose of this trip was to observe working conditions and the operation of modern office equipment in action.

Lessons in charm and personality were discussed by club members. Helpful criticism is offered by the girls as they practice good grooming at the club meetings. Every member derives something useful from these friendly critics.

The purpose of the Foreign Correspondence Club is to offer to its members an opportunity to gain beneficial knowledge about the way of life in other countries of the world. The club was originally formed to satisfy the curiosity of many of the students about teenagers in foreign lands. Many lasting friendships are formed through this correspondence.

The group is under the direction of Mrs. Mildred McCormick, who has been its sponsor since it originated six years ago. Mrs. McCormick secured the names of teenagers in other lands who wish to correspond with American students of their own age. These names are passed on to the members and advice is given to them about the type of letters they should write. The members have written to boys and girls all over the world. Some have even corresponded with young people in parts of Africa. At the club meetings the members share the letters they have received from their pen pals.

Members locate "pen pals" on map.

Orbis Romanus is the name of the Fair Park Latin Club. It is under the able sponsorship of Miss Annie Laurie Cook. Membership is open to all Latin students and former Latin students who are interested in further study of Latin.

The chief purpose of the Latin Club is to teach the students more about ancient civilization. This is done with interesting programs about Roman costumes, mythology, and everyday English words derived from Latin. The programs are often given in the form of plays or quiz games. Miss Cook highlighted several programs by showing the color slides that she took on her trip to Europe.

Latin Week is held during the year to stress the everyday importance of Latin to all of us. This is done by means of bright posters in the halls and talks by Latin students to some of their classes.

This year Orbis Romanus became a member of the National Classical League.

The purpose of the Civics Club is to create greater interest in governmental and civic affairs. Its aim is to make the entire student body, as well as its own members, more concerned with their duty as American citizens. The club's sponsor this year was Mrs. Margaret McKenzie.

The Civics Club was in charge of two major elections during the school year, the selection of candidates for Fair Park Misses and Class Favorites. Ballots were distributed by members for the final elections. Participating in this activity helped members to understand the importance of correct voting procedures.

Many interesting discussions were included in the club's schedule of programs. These were designed to impress the members with the serious nature of their duties as tomorrow's citizens.

To promote better sportsmanship among themselves, the girls organized a basketball team.

The newly organized Debate Club trains its members in the basic principles of debating. This training is beneficial in many ways but especially in business life.

In planning debates, participants must learn to locate sources of material, must learn to think quickly and to express themselves adequately. Debating also helps young people to practice self-control in controversial discussions.

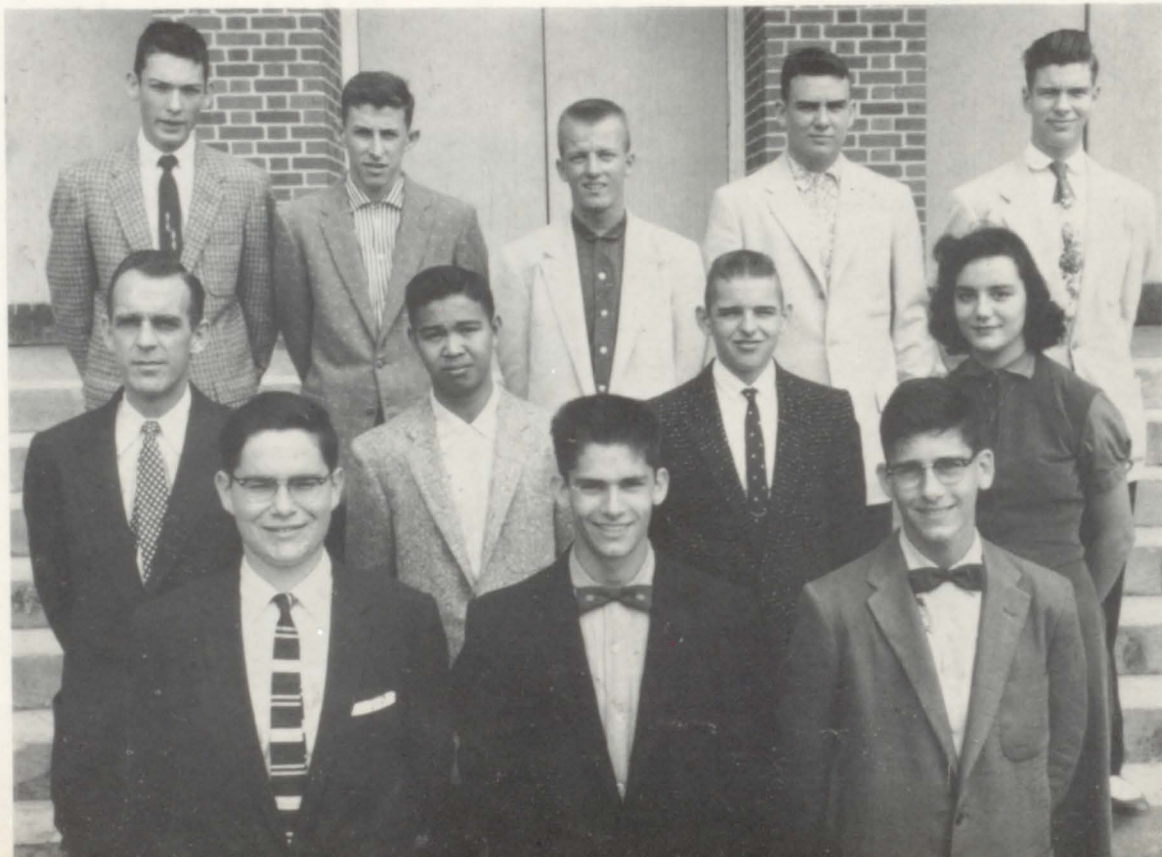

A constitution was drawn up by the group and then various points were debated before it was adopted.

The members of the group, urged by their sponsor, Mr. Bernard Slimer, are now working to promote debates with students from other local high schools.

Club meetings are designed to stress proper methods of debating as well as to give members actual experience in competitive debate.

The Fair Park Future Teachers Club was named for the well-known teacher Dean R. E. Smith of Centenary College. It is under the supervision of Miss Meva Andrews.

This year the organization chose as its project the task of tracing the one hundred eight former members of the club who have graduated. They wished to determine the club's degree of success in attaining its aim and to see what the future might hold in store for them. The statistics showed that nine of the one hundred eight graduates are now teaching and that twenty-three are in college preparing to teach.

The purpose of the club is to encourage young people to cultivate in themselves the qualities of personality and character which are the foundation of successful teaching, and to provide young people with specific information about opportunities in the various fields of education.

The duties of the members are varied. They act as substitutes when members of the Fair Park faculty are absent, and they promote teacher appreciation week.

CREATIVE WRITING CLUB

OFFICERS

DORIS MEDLIN	President
NORMAN WILLIAMS	Vice-President
ANNA MELTON	Secretary
ALICE WARE	Treasurer
MRS. JONES	Sponsor

Mrs. Jones encourages members to improve writing styles.

The chief objective of the Creative Writing Club, under the supervision of Mrs. Jennie Jones, is to create greater interest in writing, as a means of self-expression. The club emphasizes the importance of the members "dipping their nets" where they are, and finding in the everyday life about them rich elements of poetry and drama.

The members are introduced to the materials with which all writers work, and through actual participation become acquainted with the definite types of literary creations.

Each year the club has an outside speaker visit them, and for the past several years that speaker has been Mrs. Emma Wilson Emory, poet laureate of Louisiana.

Fair Park's Writing Club has had winners in the National Writing Competition every year they have entered. These prize-winning poems and stories are published in national magazines.

Through these activities the members learn to enjoy the works of others and create a literature of their own.

... this assembly and the lump in our throat?

Remember...

... how proud Mrs. Hearn's boys were of the new equipment?

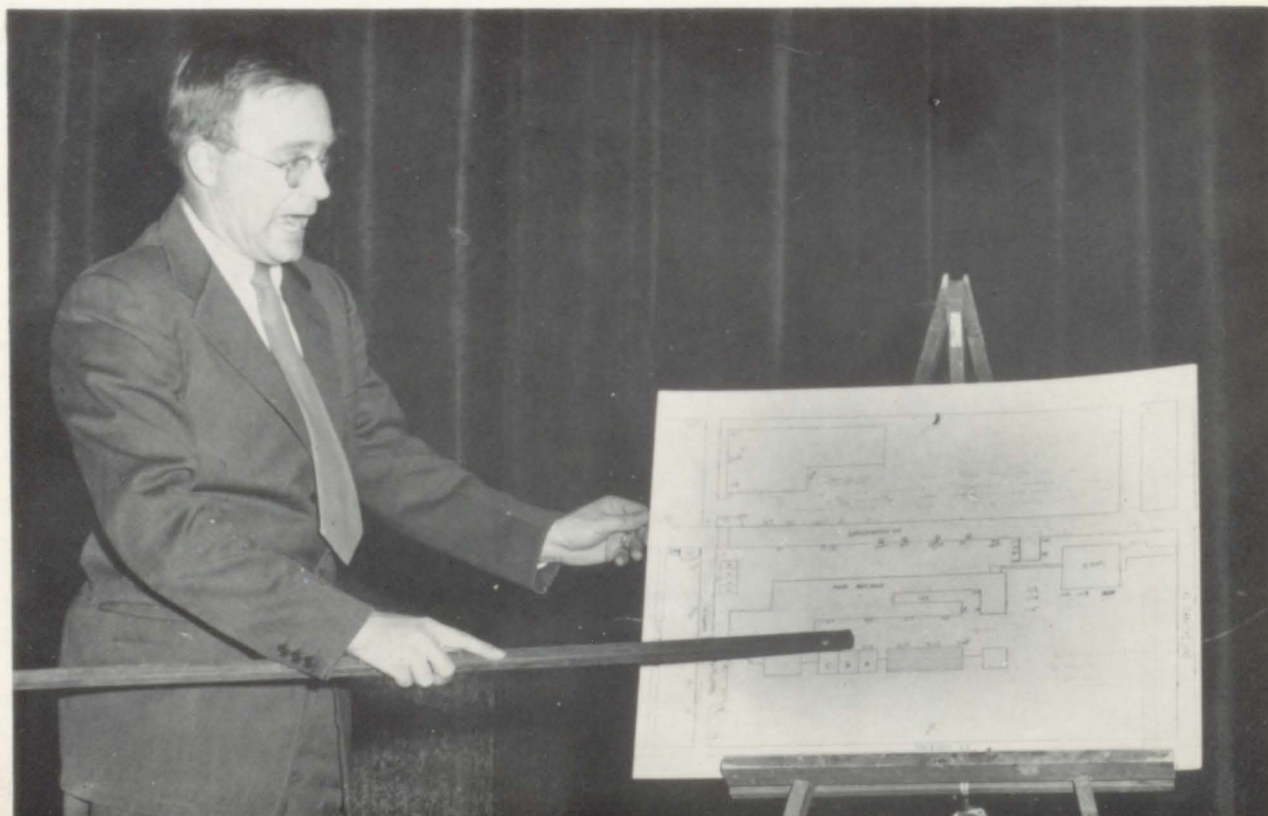

... how proud we were of our Merit Award finalists?

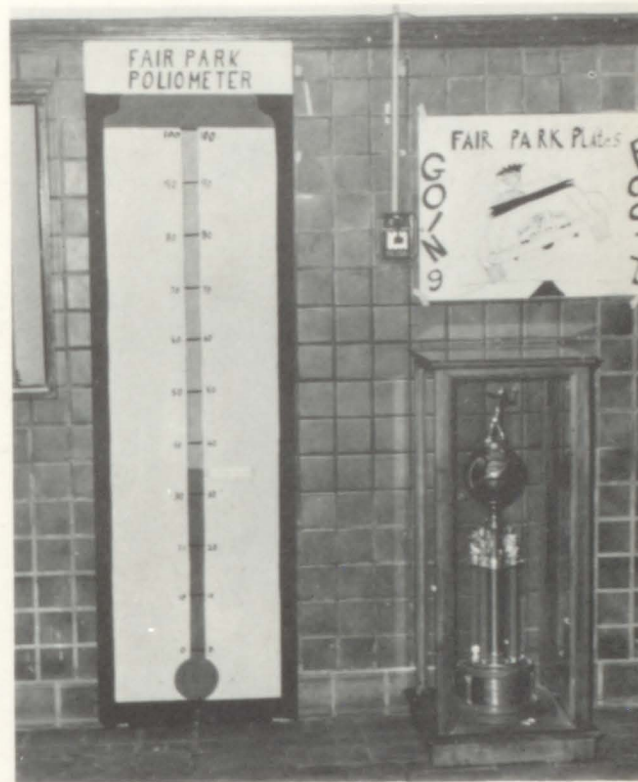

... the aptitude test that the seniors took?

Remember...

... how carefully Mr. Hollingsworth planned the evacuation of Fair Park?

... the Pow Wow's polio campaign and the trophy we lost on Thanksgiving Day?

... the R. O. T. C. Parent's Club pancake supper?

... Fair Parkers on television programs?

Remember...

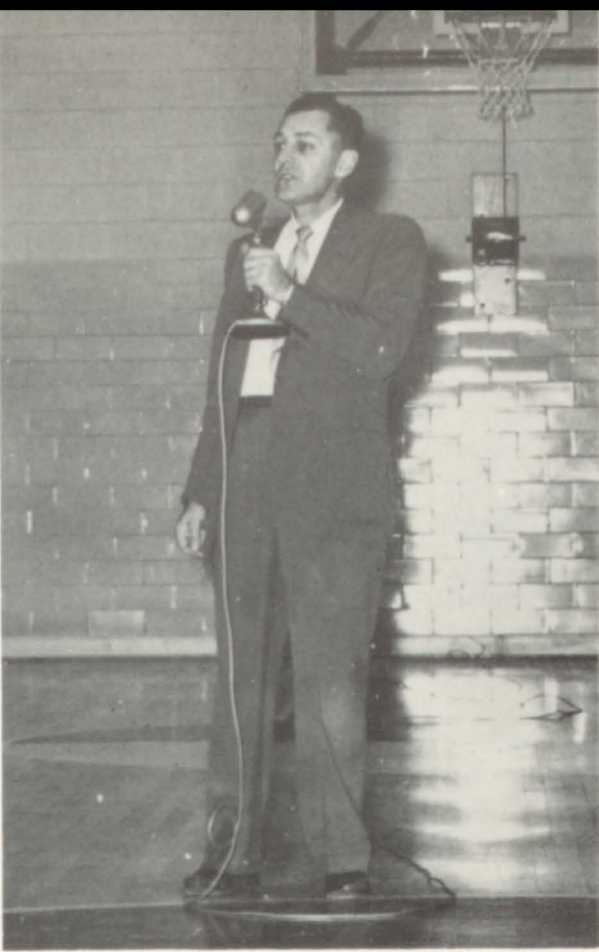

... the day you had your chest x-rayed?

... the first basketball game in the new gym and the trip to Monroe by the Honor Legion?

... lunch time? "What, sausage again?"

... Mr. Herron at the Christmas assembly?

... research themes?

... Mr. Alberson's pride in his R. O. T. C. boys?

EDITOR'S MESSAGE

Now the 1957 Sequoyah is in the hands of the Fair Park student body. Pens are poised and the great annual "Signing of the Sequoyah" is well under way. By the time you, Mr. Average Student, reach this page, gallons of ink will have flowed across our carefully planned lay-outs. For the staff, this book is already history, and work on the 1958 edition has begun.

But for 450 of us the 1957 Sequoyah completes the record of our high school years. The excitement of graduation festivities cannot quite hide the feeling of nostalgia we are already experiencing with the thoughts of leaving Fair Park. This issue of our yearbook asks you to "remember" — remember old friends, remember the fun we had — and we know you will remember. We hope that your Sequoyahs will, through the years, help to make these memories more vivid.

There will be a very special set of memories for those of us who have labored diligently for four years as members of the

Sequoyah staff. We remember the faculty advisors who have spent their extra time working with us, teaching us, and helping us over many a rough spot. Thank you, Mrs. Hearn and Mrs. Cobb for your able assistance. The office personnel, especially Mr. Herron, Mrs. Ross and Mrs. McDaniel, will always be remembered for their patience with us. We used their phones, their supplies, their school records and hours and hours of their time.

We are extremely grateful to Mr. Alberson for his confidence in us.

We would like to thank the Shreveport Engraving Company and the Journal Printing Company for their part in Sequoyah production. Our very special thanks to Mr. Jimmy Cobb and Mr. Harold Walker who have given so unstintingly of their time.

All of us will remember Milburne Alfred and the summer sessions at his studio. We thank you, Milburne, for your willingness to help far beyond the call of contracts.

Last but not least, we would like to thank the faculty and students of Fair Park for their support and cooperation year after year.
